Contract No. LP-2264
22 December 1965

Dear Joe:

1. The Contractor is hereby directed to comply with the provisions of the following Engineering Change Proposals as provided pursuant to the "Changes" clause of Contract No. LP-2264:

- (a) ECP GR-28A entitled "TR-Tube Seals." In addition, handbook and aperture card revisions should specify that the 531A401-030-103 TR Tube is the proper replacement part for earlier tubes.
- (b) ECP GR-31 entitled, "Roll Limit Switch Bracket Change." In addition, the antenna handbook revision should specify the new part number for production unit A1001-20 and subsequent units.
- (c) ECP GR-33 entitled "Modification to Mirror Mount." Handbook revisions will show interchangeability aspects of this ECP.
- (d) ECP GR-36 entitled "Modification to Mirror Assembly."
- (e) ECP GR-43 entitled "Servo Mirror Assembly Change."

2. Further, the Contractor is authorized to proceed with providing 600 RCD chemical packages as outlined in letter AKP-I-4895. Delivery will be accomplished within 120 days to the Project Support Office.

3. For work involving increased scope to Contract No. LP-2264, the Contractor will submit firm quotations for such work with 30 days after receipt of this approval.
